

GCSE GUIDES 2018-2019

It is not compulsory to buy these guides and in order to ensure that you are happy with their content, please do sample them in your local bookstore before purchase. Your daughter should be communicating with her teachers about the content of these guides and which parts are going to be most useful to her. Some subject departments order the relevant guide in bulk and are able to offer them at a reduced cost; please check with the Curriculum Leader. The CGP website www.cgpbooks.co.uk has all the titles listed but you can also find most of the titles listed here at www.amazon.co.uk where they may be found second hand and possibly cheaper. Please ensure that you buy a copy with the correct ISBN as these books are re-published regularly to reflect changes made by the examination boards. If you have any further queries please contact the subject's Curriculum Leader.
